People take a bow
I am, I am, I am the Queen

I'll make you the king
Give you a home within my castle
Everything, on everything
I know that your heart is beating faster for my love
If it's true love, you'll feel, for me

People take a bow
Show me that you love me
I am, I am the Queen
Everybody take a bow
Cause I'm the one and only
I am, I am, I am, I am, I am, the Queen

I'll give you a crown
Build you a world you've never dreamt of
If you are the one
Tell me that I'm the one and only in your heart
If it's true love, you'll feel, for me

People take a bow
Show me that you love me
I am, I am the Queen
Everybody take a bow
Cause I'm the one and only
I am, I am, I am, I am, I am, the Queen

The one and only
I am, I am, I am, I am, I am I am the Queen

People take a bow
Show me that you love me
I am, I am the Queen
Everybody take a bow
Cause I'm the one and only
I am, I am, I am, I am, I am

People take a bow
Show me that you love me

I am, I am the Queen
Everybody take a bow
Cause I'm the one and only
I am, I am, I am, I am, I am the Queen
