Oh I love you
Endless time
I lose my mind
Because of you
Oh I want to kill myself
You are the only love
In my life
The only thing there is night
My love you are every
Breath that I
Take oh I love you

If you go say good bye
But you know this
I will always love you
Bye bye if you go
Say goodbye
But you know this
I will always love you

Otton maldo hagi himdul ttae
Ddo kudae-ga pugo shipul ttae
Amuron maldo
Amuron haeng-dongdo
Mu-otdo nan hal su optjanha

(Translation: When it's hard to say anything
And when I want to see you
Can't say anything
Can't do anything
I can't do anything at all)

Everyday every night
Every single day I want you
Please don't leave me alone
Don't leave me alone
I want you
I need you love you
I'm gonna take you

If you go say good bye
But you know this

I will always love you
Bye bye if u go
Say good bye
But you know this
I will always love you

Oh I want to kill myself
I am just singing
I love you
