(Carroll Gibbons - James Dyrenforth)

Twass just a garden in the rain
Close to a little leafy lane
A touch of color neath skies of gray.

The raindrops kissed the flower beds
The blossoms raised their thirsty heads
A perfumed thank you they seemed to say.

Surely here was charm
Beyond compare to view
Maybe it was just that
I was there with you.

Twass just a garden in the rain
But then the sun came out again
And sent us happilly on our way.

(Surely here was charm
Beyond compare to view
Maybe it was just that
I was there with you.)

Twass just a garden in the rain
But then that sun came out again
And sent us happilly on our way...
