(Paul F. Webster - Sammy Fain)

Has anybody here seen April dressed in a gown of
green
She walks in a world of enchantment
Where no one ever grows much older
Than seventeen.

April love is for the very young
Every star's a wishing star that shines for you
April love is all the seven wonders
One little kiss can tell you this is true.

I know sometimes an April day will suddenly bring
showers
This rain to grow the flowers for her first bouquet
But April love can slip right through your fingers
So if she's the one don't let her run away.

So if she's the one don't let her run away...
