(Harold Adamson - Victor Young - Stella Unger)

Around the world I've searched for you
I traveled on when hope was gone to keep a
rendezvous
I knew somewhere, sometime, somehow
You'd look at me and I would see the smile you're
smiling now.

It might have been in county down
Or in New York in Gaparee or even London town
No more will I go all around the world
For I have found my world in you.

(Around the world I've searched for you
I traveled on when hope was gone to keep a
rendezvous
I knew somewhere sometime somehow
You'd look at me and I would see the smile you're
smiling now.)

It might have been in county down
Or in New York in Gaparee or even London town
No more will I go all around the world
For I have found my world in you...
