(Arthur Hammerstein - Dudley Wilkinson)

Because of you  
Because of you  
There's a song in my heart  
Because of you  
My romance had its start.

Because of you  
The sun will shine  
The moon and stars will say you're mine  
Forever and never to part.

I only live for your love and your kiss  
It's paradise to be near you like this  
Because of you, my life is now worthwhile,  
And I can smile because of you.

Because of you  
There's a song in my heart  
Because of you  
My romance had its start.

Because of you  
The sun will shine  
The moon and stars will say you're mine  
Forever and never to part...
