If I expected love when first we kissed blame it on my  
Youth  
If only just for you I did exist blame it on my youth  
I believed in everything like a child of three  
You meant more than anything you meant all the world  
to  
Me.

If you were on my mind all night and day blame it on  
my  
Youth  
If I forgot to eat and sleep and pray blame it on my  
Youth  
If I cried a little bit when first I learned the truth  
Don't blame it on my heart blame it on my youth.

If I cried a little bit when first I learned the truth  
Don't blame it on my heart blame it on my youth...
