I got the feelin' I'm fallin'
Like a star up in the blue
Like I was fallin' off Niagara
In a paddle boat canoe
I got the feelin' I'm a fallin'
And it's all because of you

Like I was walkin' on a tight rope
Swingin' in the breeze
And though I tried to keep my balance
When I weaken in my knees
I got the feelin' I'm a fallin'
Lover, help me please

Like a leaf falls from the branch
Like a rock from an avalanche
Like the rain on a stormy day
I never thought I'd fall this way

I thought that love could never touch me
Yeah, I was ridin' high
And then my ivory tower toppled
And I tumbled from the sky
I got the feelin' that I'm fallin'
And you're the reason why

Like a life that he married for
Like the walls of Jericho
Like Delilah's holy town
And Samson tore it down

I thought that love could never touch me
Yeah, I was ridin' high
And then my ivory tower toppled
And I tumbled from the sky
I got the feelin' that I'm fallin'
And you're the reason why

And you're the reason why
And you're the reason why
And you're the reason why
