(Ray Charles)

Let me tell you 'bout a boy I know  
He's my baby and he lives next door  
Every morning 'fore the sun comes up  
He brings my coffee in my favorite cup  
That's why I know, yeah, I know now  
Hallelujah, I just love him so.

When I'm in trouble and I have no friends  
I know he'll go with me untill the end  
Everybody asks me how I know  
I smile at them and say he told me so  
That's why I know, yeah, I know now  
Hallelujah, I just love him so.

Now if I call him on the telephone  
And tell him that I'm all alone  
By the time I count from one to four  
I hear him at my door.

In the evening when the sun goes down  
When there is nobody else around  
He kisses me and he holds me tight  
And tells me baby everything's all right  
That's why I know, yeah, I know now  
Hallelujah, I just love him so.
