(Hugh Martin - Ralph Blaine)

Have yourself a merry little Christmas
Let your heart be light
Next year all our troubles
Will be out of sight.

Have yourself a merry little Christmas
Make the Yule-tide gay
Next year all our troubles
Will be miles away.

Once again as in olden days
Happy golden days of yore
Faithful friends who are dear to us
Will be near to us once more.

Someday soon we all will be together
If the fates allow
Until then we'll have to muddle through somehow
So have yourself a merry little Christmas now.

(Have yourself a merry little Christmas
Make the Yule-tide gay
Next year all our troubles
will be miles away.)

Once again as in olden days
Happy golden days of yore
Faithful friends who are dear to us
Will be near to us once more.

Someday soon we all will be together
If the fates allow
Until then we'll have to muddle through somehow
So have yourself a merry little Christmas now...
