Now I've got Heartaches by the number, troubles by the
Score

Everyday you love me less, each day I love you more
Yes, I've got heartaches by the number, a love that I
Can't win

But the day that I stop countin', that's the day my
World will end

Heartache number one was when you left me
I never knew that I could hurt this way
And heartache number two was when you came back
again
You came back but never meant to stay

So I've got Heartaches by the number, troubles by the
Score

Everyday you love me less, each day I love you more
Yes, I've got heartaches by the number, a love that I

Can't win

But the day that I stop countin', that's the day my
World will end

Heartache number three was when you called me
And said that you were comin' back to stay
With hopeful heart I waited for your knock on the door
I waited but you must have lost your way

Now I've got Heartaches by the number, troubles by the
Score

Everyday you love me less, each day I love you more
Yes, I've got heartaches by the number, a love that I
Can't win

But the day that I stop countin', that's the day my
World will end.
