(Al Hoffman - John Klenner)

Heartaches heartaches  
My loving you meant only heartaches  
Your kiss was such a sacred thing to me  
I can't believe it's just a burning memory.

Heartaches, heartaches  
What does it matter how my heart breaks  
I should be happy with someone new  
But my heart aches for you.

(Heartaches heartaches  
My loving you meant only heartaches)  
Your kiss was such a sacred thing to me  
I can't believe it's just a burning memory.

Heartaches, heartaches  
What does it matter how my heart breaks  
I should be happy with someone new  
But my heart aches for you...
