(Mae Boren Axton - Tommy Durden - Elvis Presley)

Now since my baby left me, well, I've found a new place  
to dwell

Down at the end on Lonely Street at Heartbreak Hotel  
Well, I'll be so lonely baby, I'll be so lonely  
I'll be so lonely I could die.

Well, though it's always crowded you still can find  
some room

For broken hearted lovers to cry there in the gloom  
But they'll be so lonely baby, they'll be so lonely  
Oh, they're so lonely they could die.

The bellhop's tears keep flowing the deskclerk's  
dressed in black

They've been so long on Lonely Street and they'll never  
go back

And they're so lonely, oh, they're so lonely  
Well, they're so lonely they pray to die.

Well, if your baby leaves you you've got a tale to tell  
Just take a walk down Lonely Street to Heartbreak Hotel  
Where you'll be so lonely baby, well, you'll be so lonely  
They make you so lonely you could die.

--- Instrumental ---

Well, though it's always crowded you still can find  
some room

For broken hearted lovers to cry there in the gloom  
But they'll be so lonely baby, they'll be so lonely  
Oh, they're so lonely they could die...
