(Eddie Curtis)

Hey, ring-a-ding, what are you doing this evening
Hey, ring-a-ding, what are you doing tonight
Hey, Mr Ring-a-Ding dandy, you're as sweet as sugar
candy
Hey, ring-a-ding, what are you doing tonight?

Hey, ring-a-ding, I wish you were near me
Hey, ring-a-ding, I wish you were mine
Well now, you've got the ring-a-ding kissing
This little girl's been missing
Hey, ring-a-ding, I wish you were mine.

You've got the ring-a-ding hugger, wake up
You've got the ring-a-ding lover, love.

Hey, ring-a-ding, I am dreaming and scheming
Hey, ring-a-ding, I'll get you somehow
Hey, Mr Ring-a-Ding dandy, you'll be my sugar candy
Hey, ring-a-ding, let it be now.

--- Instrumental ---

Hey, Mr Ring-a-Ding dandy, you'll be my sugar candy
Hey, ring-a-ding, let it be now
Hey, ring-a-dingm let it be now
I said, hey, ring-a-ding, let it be now...
