(Harry Noble)

Hold me, hold me, never let me go
Until you told me, told me what I want to know
And then just hold me, hold me
Make me tell you I'm in love with you.

Thrill me, thrill me, walk me down the lane
Where shadows will be, will be hiding lovers just the
same
As will be, will be when you
Make me tell you I love you.

They tell me be sensible with your new love
Don't be fool thinking this is the last you'll find
But they never stood in the dark with you love
When you take me in your arms and drive me slowly
out of my mind.

Kiss me, kiss me when you do I know
That you will miss me, miss me if we ever say I do
So kiss me, kiss me make me tell you
I'm in love with you.

They tell me be sensible with your new love
Don't be fool thinking this is the last you'll find
But they never stood in the dark with you love
When you take me in your arms and drive me slowly
out of my mind.

Kiss me, kiss me when you do I know
That you will miss me, miss me if we ever say I do
So kiss me, kiss me make me tell you
I'm in love with you...
