(Arthur Freed - Gus Arnheim - Abe Lyman)

I cried for you
Now it's your turn to cry over me
Every road has a turning
That's one thing you're learning.

I cried for you what a fool I used to be
Now I found two eyes just a little bit bluer
I found the heart just a little bit truer
I cried for you now it's your turn to cry over me.

I cried for you what a fool I used to be
Now I found two eyes just a little bit bluer
I found the heart just a little bit truer
I cried for you now it's your turn to cry over me...
