(Dave Bartholomew - Pearl King)

You went away and left me long time ago
And you're comin' back knockin' at my door
I hear you knockin' but you can't come in
I hear you knockin', go back where you been.

I begged you not to go but still you said goodbye
And now you're comin' back tellin' all those your lies
I hear you knockin' but you can't come in
I hear you knockin', go back where you been.

I told you don't go back long time ago
The day would come when you have listened so
I hear you knockin' but you can't come in
I hear you knockin', go back where you been.

--- Instrumental ---

You're gonna go back to your used to be
Because your love's not good to me
I hear you knockin' but you can't come in
I hear you knockin', I know where you been...
