(Jimmy Henderson - Sid Robin - Bertha Scott)

Those happy hours I spent with you had lovely have to
grow
Most of all I miss you so
Your sweet caresses each rendezvous, your voice so
soft and low
Most of all I miss you so.

You once filled my heart with no regret, no fear
Now you find my heart filled to the top with tears
I'll always love you and want you too, so much you'll
never know
Most of all I miss you so.

I'll always love you and want you too, so much you'll
never know
Most of all I miss you so...
