(Ted Shapiro - Jimmy Campbell - Red Connelly)

I could show the world how to smile I could be glad all
of the while
I could change the gray skies to blue if I had you
I could leave the old days behind leave all my friends I
wouldn't mind
I could start my life all anew if I had you.

I could climb the snow-capped mountain, sail the
mighty ocean wide
I could cross the burning desert if I had you by my side
I could be a queen on a crown, humble or poor, rich or
renowned
There is nothing I couldn't do if I had you.

I could climb the snow-capped mountain, sail the
mighty ocean wide
I could cross the burning desert if I had you by my side
I could be a queen on a crown, humble or poor, rich or
renowned
There is nothing I couldn't do if I had you...
