But now that you've said you're mine
Wherever I go whatever I do
I'll be doing fine.
I'll be fine as long as I have you.

Though there'll be rain and darkness too
I won't complain I'll see it through
Poverty may come to me that's true
But what can I say I'll get by
As long as I have you.

Poverty may come to me that's true
But what can I say
I'll get by
As long as I have you...
