I'm nobody's baby I wonder why  
Each night and day I pray the Lord up above  
Please send me down somebody to love (nobody's  
baby)  
But nobody wants me I'm blue somehow  
Oh someone hear my plea and take a chance with me  
Because I'm nobody's baby now

(She's nobody's baby I wonder why

Each night and day she prays the Lord up above)  
Oh please send me down somebody to love (nobody's  
baby)  
Nobody wants me I'm blue somehow  
Oh someone hear my plea and take a chance with me  
Because I'm nobody's baby nobody's baby nobody's  
baby now  
(Nobody's baby now)
