(Nobody's baby, nobody's baby.)

I'm nobody's baby, I wonder why
Each night and day I pray the Lord up above
Please send me down somebody to love. (nobody's
baby)
But nobody wants me, I'm blue somehow
Oh, someone hear my plea and take a chance with me
Because I'm nobody's baby now.

(She's nobody's baby, I wonder why
Each night and day she prays the Lord up above)
Oh, please send me down somebody to love. (nobody's
baby)
Nobody wants me, I'm blue somehow
Oh, someone hear my plea and take a chance with me
Because I'm nobody's baby, nobody's baby, nobody's
baby now.

(Nobody's baby now...)
