(Jay Livingston - Marty Symes - Al Neiburg)

I can't show my face can't go anyplace
People stop and stare it's so hard to bear
Everybody knows you left me
It's the talk of the town.

Everytime we meet my heart skips a beat
We don't stop to speak though it's just a week
Everybody knows you left me
It's the talk of the town.

We send our invitations to friends and relations
Annoncing our wedding day
Friends and relations gave congratulations
How can you face them, what can you say?

Let's make up sweetheart, we can't stay apart
Don't let foolish pride keep you from my side
How can love like ours be ended
It's the talk of the town.

Let's make up sweetheart, we can't stay apart
Don't let foolish pride keep you from my side
How can love like ours be ended
It's the talk of the town...
