Johnny darlin', I've been waitin' here on you
Johnny darlin', I've been waitin' here on you
You're five minute late and I'm already feelin' blue.

Johnny darlin', stop a tellin' me those lies
Right now Johnny darlin', stop a tellin' me those lies
You've got lipstick on your collar
And a bunny look in your eyes.

You tell me I'm the only one that you love
And then you sing sweet songs to me
But maybe you've been singin' to a new love
And Johnny that's no way to be.

Johnny darlin', you'd better make up your mind
Yea, yea, yea, Johnny darlin', you'd better make up
your mind
You'd better play it straight or I'm movin' on down the
line.

(Talk to me now, Johnny.)

You tell me I'm the only one that you love
And then you sing sweet songs to me
But maybe you've been singin' to a new love
And Johnny that's no way to be.

Johnny darlin', you'd better make up your mind
Yea, yea, yea, Johnny darlin', you'd better make up
your mind
You'd better play it straight or I'm movin' on down the
line.

You'd better play it straight or I'm movin' on down the
line.

(One more time Johnny.)

You'd better play it straight or I'm movin' on down the
line...
