(Jenny Lou Carson - Al Hill)

(Let me go, let me go, let me go.)

Oh, let me go, let me go, let me go lover
Let me be, set me free from your spell
You made me weak, cut me deep, I can't sleep lover
I was cursed from the first day I fell.

You don't want me but you want me to go on wanting
you
How I pray that you'll say that we're through
Please turn me loose, what's the use let me go lover
Let me go, let me go, let me go.

You made me weak, cut me deep, I can't sleep lover
I was cursed from the first day I fell.

You don't want me but you want me to go on wanting
you
How I pray that you'll say that we're through
Please turn me loose, what's the use let me go lover
Let me go, let me go, let me go.

(Let me go, let me go, let me go...)
