Lonely again  
You told me that lovers before you  
Were foolish to cause me to cry  
Then just when I loved to adore you  
You kissed one more dream goodbye  
And left me.

Chorus:  
Lonley again, just like you found me  
Lonley again, no arms around me  
Just when I'm sure that my heart is secure  
And the teardrops have dried  
With a warm love inside  
And this love is mine  
Till the end of the line  
That's always the time I'm lonley again.

You told me you wanted me only  
That this time this love would last  
You told me I'd never be lonley  
Now you belong to the past  
And I'm so:

Chorus:  
I'm lonley again, just like you found me  
Lonley again, no arms around me  
Just when I'm sure that my heart is secure  
And the teardrops have dried  
With a warm love inside  
And this love is mine  
Till the end of the line  
That's always the time I'm lonley again...
