Allez venez, Milord - vous asseoir Ã ma table  
Il fait si froid dehors - ici, c'est confortable  
Laissez-vous faire, Milord, et prenez bien vos aises  
Vos peines sur mon coeur et vos pieds sur une chaise  
Je vous connais, Milord, vous ne m'avez jamais vue  
Je ne suis qu'une fille du port, une ombre de la rue

Come on, get wise, Milord, her lips tell lies, Milord  
The girl that you adored has found some other guy  
She just got bored, Milord, now you're ignored, Milord  
Deep down inside your pride won't let you say goodbye  
So let her go, Milord, relax, be smart  
'Cause you know she'll only break your heart

Come on get mad, Milord, life's not so bad, Milord  
The charms of other arms can make your heart forget  
Don't count the cost, Milord, let her get lost, Milord  
One memory can beat a lifetime of regret  
Come on get hit, Milord, and let life rest Milord  
Be sure there's plenty more of lovin' to be done

There's chicks to meet, Milord, with lips so sweet,  
Milord  
And hearts to make and break before the race is run  
So hit the town, Milord, come on and be my guest  
We'll turn it upside down and may devil take the rest  
Upside down and may devil take the rest  
Upside down and may devil take the rest
