(George A. Norton - Ernie Burnett - Maybelle E. Watson)

Come sweetheart mine don't sit and pine  
Tell me of the cares that make you feel so blue  
What have I done answer me hon  
Have I ever said an unkind word to you?

My love is true and just for you  
I do almost anything at anytime  
Dear when you sigh or when you cry  
Something seems to grip this very heart of mine.

Come to me my melancholy baby  
Cuddle up and don't feel blue  
All your fears are foolish fancy maybe  
You know dear, that I'm in love with you.

Every cloud must have a silver lining  
Wait until that sun shines through  
Smile my honey dear, while I kiss away each tear  
Or else I shall be melancholy too.

--- Instrumental ---

Smile my honey dear, while I kiss away each tear  
Or else I shall be melancholy too...
