(Frankie Brown)

No letter today, I've waited since dawn  
I've waited each day since you have been gone  
No letter today, all the days are so long  
Oh, why don't you write, I know I was wrong.

Just give me one chance, please won't you forgive  
I'll love you my dear as long as I live  
I know it's no use though I hope and I pray  
The postman goes by, no letter today.

--- Instrumental ---

Just give me one chance, please won't you forgive  
I'll love you my dear as long as I live  
I know it's no use though I hope and I pray  
The postman goes by, no letter today...
