No one ever kissed me  
The way that you do,  
And no one ever told me  
I love you

No one ever cared  
No, no one ever shared  
All those dreams that I dreamed  
Would come true

No one ever hurt me  
The way that you do  
'Cause no one ever  
Broke my heart in two

But I'll keep on caring  
My whole life through  
For no one, no one but you  
(No one but you)

No, no one ever hurt me  
The way that you do  
'Cause no one ever  
Broke my heart in two

But I'll keep on caring  
My whole life through  
For no one (no one)  
No one (no one) but you  
(No one but you)
