(Lewis H. Redner - Phillips Brooks)

O little town of Bethlehem how still we see Thee lie
Above Thy deep and dreamless sleep the silent stars
go by
Yet in Thy dark street shineth the everlasting light
The hopes and fears of all the years are met in Thee
tonight.

For Christ is born of merry and gathered all above
While mortal sleepy angels keep their watch of
wondering love
All morning stars together proclaim the holy birth
And praises sing to God the king and peace to men on
earth.

(How silently how silently the wondrous gift is giv'n
So God imparts to human hearts the blessings oh his
heav'n)
We hear the Christmas angels the great glad tidings
tell
Oh come to us, abide with us our Lord Emmanuel...
