He got a plenty good loving
Plenty good kissing
Plenty good hugging
He's so fine
Now he's mine, all mine

I got a (plenty good) loving
(Plenty good) kissing
(Plenty good) hugging
Yes, indeed, he's all I need

He don't have to own no hot rod car
Or play rock and roll on a twanging guitar
He don't have to look like a record star
'Cause he's got something that's better by far

He got a plenty good loving
Plenty good kissing
Plenty good hugging
Yes, indeed, he's all I need, yeah

Yes, indeed, he's all I need

People say he's not too smart
But he knows the way to a woman's heart
Plenty of things that he don't know
But this boy shines when the lights are low

He got a plenty good loving
Plenty good kissing
Plenty good hugging
He's so fine, now one more time

He got a plenty good loving
Plenty good kissing
Plenty good hugging
He's so sweet and I must repeat

He got a plenty good loving
Plenty good kissing
Plenty good hugging
He's so sweet and I must repeat

Yes, indeed, he's all I need
