If I sent a rose to you  
For ev'ry time you made me blue  
You'd have a room full room full of roses  
If I sent a rose of white  
For ev'ry time I cried all night  
You'd have a room full of roses.

And if you took the petals  
And tore them all apart

You'd be tearing at the roses  
Just the way you tore my heart.

If someday you're feeling blue  
And you could send some roses, too  
Well, I don't want a room full of roses  
I just want my arms full of you.
