One day you are loving  
Like we'll never part  
Then you say it's over  
Such a change of heart

I go round and round  
On the roundabout of love

Sometimes you are gentle  
Sometimes very kind  
Then without a warning  
You can change your mind

I go round and round  
On the roundabout of love

I'm going round in circles  
What can I do  
My love is getting nowhere fast  
With you

Even though you promised  
To love me evermore  
Will I go on waiting  
Like I have before

Always going round  
Ten feet off the ground  
On the roundabout of love with you

I go round and round  
On the roundabout of love

I'm going round in circles  
What can I do  
My love is getting nowhere fast  
With you

Even though you promised  
To love me evermore  
Will I go on waiting  
Like I have before

Always going round  
Ten feet off the ground  
On the roundabout of love with you

La da da da da...
