(Paul F. Webster - Sammy Fain)

Once I had a secret love  
That lived within the heart of me  
All too soon my secret love  
Became impatient to be free.

And so I told a friendly star  
The way that dreamers often do  
Just how wonderful you are  
And why I'm so in love with you.

Now I shout it from the highest hill  
Even told the golden daffodils  
At last my heart's an open door  
And my secret love's no secret anymore.

Now I shout it from the highest hill  
Even told the golden daffodils  
At last my heart's an open door  
And my secret love's no secret anymore...
