(Eddie Curtis)

Teach me, teach me how to twist
I gotta learn to do the twist
Teach me, teach me how to twist
I gotta learn to do the twist
Set it top my list
Teach, me teach me how to twist.

Oh say you will, say you will, say you will
Oh say you will, now say you will, say you will
Oh say you will, say you will, say you will.

Round and round and round and round
Wiggle up and wiggle down
Round and round and round and round
Shimmy, shimmy all around
Do the twist, do the twist.

I got it now, I got it now, got it now
I got it now, got it now, got it now
I'm doin' the twist and I like it like this.

How am I doing now partner, all right there
OK, let me hear like it is now.

Teach me, teach me how to twist
I gotta learn to do the twist
Teach me, teach me how to twist
I gotta learn to do the twist
Set it top my list
Teach, me teach me how to twist.

I got it now, got it now, got it now
I got it now, got it now, got it now
I'm doin' the twist and I like it like this...
