(Billy Reid)

In a quaint caravan there's a lady they call the Gypsy
She can look in your future and drive away all your
fears
Everything will come right if you only believe the Gypsy
She could tell at a glance that my heart was so full of
tears.

She looked at my hand and told me my lover was
always true
And yet in my heart I knew dear somebody else was
kissing you
But I'll go there again cause I want to believe the Gypsy
That my lover is true and will come back to me some
day.

But I'll go there again cause I want to believe the Gypsy
That my lover is true and will come back to me some
day...
