(William Engvick - George Auric - Augene Ageron)

Whenever we kiss I worry and wonder  
Your lips may be near but where is your heart  
It's always like this I worry and wonder  
You're close to me here but where is your heart?

It's a sad thing to realize that you've a heart that never  
melts  
When we kiss do you close your eyes pretending that  
I'm someone else  
You must break the spell this cloud that I'm under  
So please won't you tell darling where is your heart?

Whenever we kiss I worry and I wonder  
Your lips may be near but where is your heart?

It's a sad thing to realize that you've a heart that never  
melts  
When we kiss do you close your eyes pretending that  
I'm someone else  
You must break the spell this cloud that I'm under  
So please won't you tell darling where is your heart?...
