If it takes forever, I will wait for you  
For a thousand summers, I will wait for you  
Till you're back beside me, till I'm holding you  
Till I hear you sigh, here in my arms

Anywhere you wander, anywhere you go  
Everyday remember, how I love you so  
In your heart believe, what in my heart I know  
That forevermore, I'll wait for you

The clock will tick away the hours one by one  
Then the time will come when all the waiting's done  
The time when you return and find me here and run  
Straight to my waiting arms

If it takes forever, I will wait for you  
For a thousand summers, I will wait for you  
Till you're here beside me, till I'm touching you  
And forevermore, sharing our love

Till your here beside me, till I'm touching you  
And forevermore, I will wait for you
