(Robert A. Hayman - Cynthia Lauper)

Time after time I tell myself  
That I'm so lucky to be loving you  
So lucky to be the one you run to see  
In the evening when the day is through.

I only know what I know the passing years will show  
You've kept my love so young so new  
And time after time you'll hear me say that I'm  
So lucky to be loving you.

I only know what I know the passing years will show  
You've kept my love so young so new  
And time after time you'll hear me say that I'm  
So lucky to be loving you...
