(Kendall Hayes)

If I see you tomorrow on some street in town
Pardon me if I don't say hello
I belong to another and it wouldn't look so good
To know someone I'm not supposed to know.

Just walk on by wait on the corner
I love you but we're strangers when we meet
Just walk on by wait on the corner
I love you but we're strangers when we meet.

--- Instrumental ---

In dimly little corner in a place outside of town
Tonight we'll try to say goodbye again
But I know it's not over I'll call tomorrow night
I can't let you go so why pretend.

Just walk on by wait on the corner
I love you but we're strangers when we meet
Just walk on by wait on the corner
I love you but we're strangers when we meet.

I love you but we're strangers when we meet...
