(Merle Kilgore - Claude King)

They say don't go on Wolverton Mountain
If you're looking for a wife
Cause you're Clifton Clovers only daughter
And he's mighty handy with his gun and knife.

Your tender lips are sweeter than honey
But Wolverton Mountain protects me there
And the bears and birds tell Clifton Clovers
If a stranger should wander there.

All of my dreams are on Wolverton Mountain
But my daddy honey take your life
And I'll take my chances and I'll climb his mountain
And we'll be happy as man and wife.

Your tender lips are sweeter than honey
But Wolverton Mountain protects me there
And the bears and birds tell Clifton Clovers
If a stranger should wander there.

I'm going up on Wolverton Mountain
I know you're lonesome down there below
It's just not right to separate us
Because we love each other so.

Your tender lips are sweeter than honey
But Wolverton Mountain protects me there
And the bears and birds tell Clifton Clovers
If a stranger should wander there.

We don't care about Clifton Clower
'Cause our love is sweeter than flowers
We're gonna leave Wolverton Mountain
It's gonna be just a matter of powers.

We don't care about Clifton Clowers
'Cause our love is sweeter than flowers
We're gonna leave Wolverton Mountain
It's gonna be just a matter of powers...
