(Doris Fisher - Allan Roberts)

You always hurt the one you love
The one you shouldn't turn at all
You always take the sweetest rose
And crash it till the petals fall.

You always break the kindest heart
With the hasty word you can recall
So if I broke your heart last night
It's because I love you most of all.

You always break the kindest heart
With the hasty word you can even recall
So if I broke your heart last night
It's because I love you most of all...
