Fairy tales can come true, it can happen to you
If you're young at heart
For it's hard you will find to be narrow of mind
If you're young at heart.

You can go to extremes with impossible schemes
You can laugh when your dreams fall apart at the
seams
And life gets more exciting with each passing day
And love is either in your heart or on it's way.

Don't you know that it's worth every treasure on earth
To be young at heart
For as rich as you are it's much better by far
To be young at heart.

And if you should survive to a hundred and five
Think of at all you'll derive out of being alive
And here is the best part you have a head start
If you are among the very young at heart.

And if you should survive to a hundred and five
Think of at all you'll derive out of being alive
And here is the best part you have a head start
If you are among the very young at heart...
