(Carole Joyner - Ric Cartey)

They say for every boy and girl
There's just one love in this old world
And I know I've found mine
The heavenly touch of your embrace
Tells me no one can take your place
Ever in my heart.

Young love, first love
Filled with true devotion
Young love, our love
We share with deep emotion.

--- Instrumental ---

Just one kiss from your sweet lips
Will tell me that your love is real
And I can feel that it's true
We will vow to one another
There will never be any other
Love for you or for me.

Young love, first love
Filled with true devotion
Young love, our love
We share with deep emotion...
