Something strange's happenin I've Woken up early  
today  
Hear my sister callin me It sounds weird but it's true  
and  
Downstairs everything seems ok but my dad is  
Jumping everywhere and my mom says breakfast is  
ready....

"Hey My friend" "Where You've been last night, Where  
were you?"  
"I don't know why but everybody jump now"

Now now, Every body jump now,  
Now now, Everybody jump Now,  
I cant take it, I don't know why But everybody jump now

Waiting for me there was Kritt, he was staring  
something right there  
Jumping as a fool I see what he was staring at and  
She was so cute she was the only one that wasn't jump  
as me  
I just wanted talk to her but Kritts come here and said...

"Hey My friend" "Where you've been last night, Where  
were you?"  
"I don't know why but everybody jumps now"

Now now, Every body jumps now,  
Now now, Everybody jumps Now,  
I cant take it, I don't know why But everybody jumps  
now (x2)

Cant understand asked to her she was sit there she  
was so cool because she wasn't jumping too  
I asked why she told me they went to the concert last  
night so we can Get Them  
Then we decided to go that night we had a date that's  
what I said I think I felt in love with her  
I don't even know where did we go remember I saw that  
guys playing and I started Jump now

Now now, Every body jumps now,

Now now, Everybody jumps Now,  
I cant take it, I don't know why But everybody jumps  
now (x4)
