That's the way you Bug out everyday and
That's the way you Break everynight and
That's the way you Live on the lam and
A new way to be Call your friend to see

That's the way you started play guitar and
That's the way you grow up in retard and
That's the way you pass go with your friends And
A new way to be Call your friend to see

That's the way they're coming to the concerts
That's the way they're singing your song and
That's the way they're looking for your hand and
A new way to be Call your friend to see

That's the way they're coming to the concerts
That's the way they're singing your song and
That's the way they're looking for your hand and
A new way to be Call your friend to see

My name is Frenk

That's the way you used to look that girl and
That's the way she used to fuck with you and
That's the way they said that you're a loser
A new way to be Call your friend to see

That's the way she standing in the crowd and
That's the way she's jumping every song and
That's the way she's looking for your hand and
A new way to be call your friends to see

That's the way they're coming to the concerts
That's the way they're singing your song and
That's the way they're looking for your hand and
A new way to be Call your friend to see

That's the way they're coming to the concerts
That's the way they're singing your song and
That's the way they're looking for your hand and
A new way to be Call your friend to see

My name is Frenk

My name is Frenk and I use to know

My name is Frenkie and I just don't know
