Cant wait tonight Biggest party I've been invited  
Call my Friends to get a Ride and soon we're there to  
race  
Girls in my eyes see her dancing by the pool  
Cant believe that she's so Cool  
I can't believe it

Feel sorry (About that)  
I didn't mean to hurt you (But it's Bad)  
Cause I have (No regrets)  
And without doubts I'd do it again  
Feel sorry (About that)  
I didn't wanna hurt you (But it's Bad)  
Cause I have (No regrets)  
And without doubts I'd do it again

Two drinks and get high just two words and we're  
engaged  
She takes my hand I follow her The bedroom was ok  
Made out all night and when we're out I saw my friends  
They told me that I'm crazy and

Feel sorry (About that)  
I didn't mean to hurt you (But it's Bad)  
Cause I have (No regrets)  
And without doubts I'd do it again  
Feel sorry (About that)  
I didn't wanna hurt you (But it's Bad)  
Cause I have (No regrets)  
And without doubts I'd do it again

I'm sure my friend will understand or he will knock me  
out  
Or maybe I won't talk about this night With Her My  
friend  
She was my friend's Girlfriend

Feel sorry (About that)  
I didn't mean to hurt you (But it's Bad)  
Cause I have (No regrets)  
And without doubts I'd do it again  
Feel sorry (About that)

I didn't wanna hurt you (But it's Bad)  
Cause I have (No regrets)  
And without doubts I'd do it again
