## "My Hope System"

Visit "[My Hope System](#)" on [MotoLyrics.com](http://MotoLyrics.com)

This time I won't Face Up to anything I Won't Forget it  
It Feels so Hard Restart to Hope  
I fear everything I know  
My mind's raising hell with me and I'm gonna bite the  
dust soon  
Cant find it there's no air to breath

Someday I'll get what I deserve and rope myself into  
carry on  
Someday I'll find out what I am and shove my life down  
my own throat

Won't Waste My Time  
I think I'll crash cause I'm wiped out for real  
I won't this time  
Feel under clouds anywhere I go

Won't Waste My Time  
I think I'll crash cause I'm wiped out for real  
I won't this time  
Feel under clouds anywhere I go

Remember colours I remember sounds no more I'm  
lying  
I hear confusing voices in me  
I fear everything I know  
My mind is burning memories I'm dreaming a way out  
of this wall  
I've lost my choices I've lost my hope

Someday I'll get what I deserve and rope myself into  
carry on  
Someday I'll find out what I am and shove my life down  
my own throat

Won't Waste My Time  
I think I'll crash cause I'm wiped out for real  
I won't this time  
Feel under clouds anywhere I go

Won't Waste My Time  
I think I'll crash cause I'm wiped out for real

I won't this time  
Feel under clouds anywhere I go

Won't Waste My Time  
I won't this time

Won't Waste My Time  
I won't this time

Won't Waste My Time  
I think I'll crash cause I'm wiped out for real  
I won't this time  
Feel under clouds anywhere I go

Won't Waste My Time  
I think I'll crash cause I'm wiped out for real  
I won't this time  
Feel under clouds anywhere I go

Won't Waste My Time
