I can trust myself this time, my powers are fading out  
I can't help you but cant stay here watching you dieing  
Use your memories to stay alive  
Can somebody hear me now? Can somebody hear me  
now?

Hold my Hand (Right now) please don't let it go  
Cause I cant stand (At all) that your eyes are closed  
now  
Hold my Hand (Right now) I tried to call you back now  
Cause I cant stand (At all) cause I got roses inside my  
skin

I can't stand this white walls I'm dieing with you this  
time  
Your complexion's turning grey day after day  
Use your memories to stay alive  
Can somebody hear me now? Can somebody hear me  
now?

Hold my Hand (Right now) please don't let it go  
Cause I cant stand (At all) that your eyes are closed  
now  
Hold my Hand (Right now) I tried to call you back now  
Cause I cant stand (At all) cause I got roses inside my  
skin

Now tell me why you stole her life instead of instead of  
mine  
It can't be right (Now I've lost everything with you)  
This can't be right (Please wait me there, wait me there  
I'll be coming just for you)  
She's still saying (And now I'm chocking on these  
words)  
Please be strong

Hold my Hand (Right now) please don't let it go  
Cause I cant stand (At all) that your eyes are closed  
now  
Hold my Hand (Right now) I tried to call you back now  
Cause I cant stand (At all) cause I got roses inside my  
skin

Hold my Hand (Right now) please don't let it go  
Cause I cant stand (At all) that your eyes are closed  
now  
Hold my Hand (Right now) I tried to call you back now  
Cause I cant stand (At all) cause I got roses inside my  
skin
